PANSY PLANTING WITH THETA

WHAT YOU NEED:

- Pansies
- Pot(s)
- Planting soil
- Water
- Fertilizer
- Pansy Gimlet
- Pansy Playlist

PANSY GIMLET

1.5 ounces of gin
1 T pansy simple syrup
sugar

3/4 ounce lemon juice
pansy flower for garnish

Pour gin, simple syrup and lemon juice into a cocktail shaker. Fill with ice and place a lid on the shaker. Shake for 10-15 seconds or until properly chilled and diluted. Strain into chilled coupe glass and garnish with a pansy flower.

Pansy Syrup

Pull the petals off one color of pansies and place them with an equal amount of sugar in the food processor. Pulse until well combined. Add mixture to an equal amount of water. Stir over medium heat until the sugar dissolves. Cool. Strain and pour into a bottle.
